

Super Summer Learning Adventures

Raising a Reader’s Super Summer Learning Adventures Program helps children build a home library and continue to develop important academic and social emotional skills, even while school is not in session.

Easy-to-use tools and resources help families support learning recovery and school readiness through language, literacy and math development, social emotional learning and wellness activities.

Activate Summer Learning. All Packs include:

- Bilingual family guide with six weeks of daily learning activities aligned to school readiness and Common Core Standards
- 4 Bilingual books (English/Spanish, titles may vary)*
- **Highlights** High Five Bilingüe Magazine
- Reading journal
- Letters, crayons and counting manipulatives
- Drawstring Book Bag
- Worldreader e-book library
